

# Gateways to Opportunity® Registry Tips

## Updating Employment to Use New Home Visitor Specific Roles

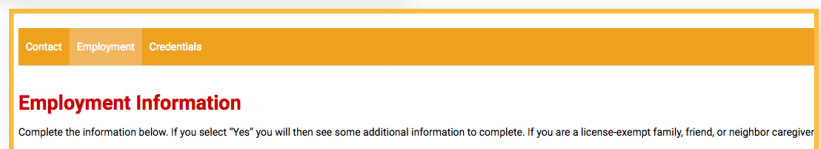

**1** Go to **www.ilgateways.com**. Click the **Registry Member Login** button. Log into the Gateways Registry Dashboard with your **username** and **password**.

A screenshot of the login form. It has a title "Login Credentials". Below the title are two input fields: "User Name" and "Password". Below the "Password" field is a red "Login" button with a right-pointing arrow. At the bottom, there are three links: "Don't have an online user?", "Forgot your password?", and "Forgot your username?".

**2** Click the **My Registry** Portal. Then click the **Update** section.

**3** Click the **Employment** tab.

A screenshot of the "Employment Information" tab. It has a navigation bar with "Contact", "Employment", and "Credentials" tabs. The "Employment" tab is selected. Below the navigation bar, the text "Employment Information" is displayed in red. Underneath, there is a small instruction: "Complete the information below. If you select 'Yes' you will then see some additional information to complete. If you are a license-exempt family, friend, or neighbor caregiver".

**4** If your employment information is in the Registry, you will be prompted and asked if you still work at that agency/site/organization.

4a. If you do, click **OK**.

4b. If you do not, click **Cancel**. Search for your current employer by clicking the red **Search for Employer** button. Click on the employer's name to return that information.

**5** In the **Position Code** drop-down, you will see two home visiting-specific codes: **23 – Home Visitor** and **24 – Home Visitor Supervisor**. After choosing the code, the following drop-down question will appear: *Which evidence-based home visiting model do you use?* Select the appropriate model. Update your record with any other updates that need to be made and click **Save**.

*\*If you completed your Registry Membership form online, use the same username and password. If you've forgotten, you can use the "Forgot Username?" and "Forgot Password?" links to be reminded/reset your password.
