

The I/ECMHC Database is going live!

Top **5** Reasons

Join the Infant/Early Childhood Mental Health Consultant Database because...

1

You are a resource in your community.

Programs are currently developing budgets for social-emotional supports, so **now** is the time to join the database!

2

It makes it easier for programs to find you.

Programs will have **one** centralized location to find highly qualified Infant/Early Childhood Mental Health Consultants.

3

You will be recognized for your expertise.

This database formalizes I/ECMHC as a specialized field, acknowledging the unique and necessary services you provide.

4

It helps you stay connected!

This is a hub for Consultants to receive regular and up to date information about statewide advancements and collaborative opportunities in the field of I/ECMHC.

5

You can network and locate fellow Infant/Early Childhood Mental Health Consultants!

Being part of this larger database will help in building the infrastructure and community to further promote the well-being of young children and the adults who provide care for them.
